

## FIND US

Wirksworth is tucked away in the Derbyshire Dales, a bit off the beaten track - but that's the way we like it.

From Derby take the A38 coming off at the Allestree island for Matlock A6. Continue on this road for 2 miles turning left at the lights just before Duffield, signposted Wirksworth, on the B5035. Continue on this road for 8 miles, entering the town on Derby Road.

**PLEASE DO NOT PARK ON NORTH END and help us be a good neighbour - thanks!**

There is also parking on the Market Place, along Harrison Drive itself, at the railway station, along Coldwell Street and Barmote Court Car Park.

The Northern Light Cinema is found on North End, on the right hand side as you approach from the CO-OP, just across the road from the best little pub in Derbyshire, The Royal Oak.

Perfect for that post-film debrief...
